## Why Choose a Y Summer Day Camp?

At the Y, we understand the benefits of a positive camp experience - making new friends, learning new skills and understanding more about oneself and the world around them; that's what it is all about! Whether they're discovering their inner artist during craft time or developing their basketball skills in the gym, campers will play with purpose all week long!

Our camp leaders embrace our core values and camp philosophy, with a heart and passion for developing youth. Whatever unique camp experience you choose, enjoy peace-of-mind knowing that we put your child's safety at the heart of all we do.

**Financial Assistance** - We believe all children deserve the opportunity to experience camp. That's why, as a charity, the YMCA-YWCA of Winnipeg offers assistance to those whose current financial situation may limit their ability to participate in Y Winnipeg programming and camps.
